GENERAL INSTRUCTIONS

Before filling out this survey, please read carefully each part and all related definitions and instructions. **Note especially:**

- 1. Please report amounts covering all funds and accounts of this agency except for any employee retirement funds administered by this agency. **Include** bond redemption and interest funds, and construction or development funds, as well as current funds. **Exclude** refunds and transfers between funds or accounts of this agency.
- 2. You may report on either a cash or accrual basis.
- **3.** As this survey is used for various kinds of agencies, some of the items may not apply to this agency. However, read carefully the definition of each item to determine whether it applies to any of this agency's transactions.
- **4.** Do **not** delay reporting to await finally audited figures, if substantially accurate figures can be supplied on a preliminary basis.

Yes – Go to 2 No – Enter correct information below Addressee Title or Department

NOTE: The U.S. Census Bureau receives its authorization to conduct this survey from Title 13, United States Code, Sections 161 and 182. This survey has been approved by the Office of Management and Budget (OMB) and given the number 0607-0585. Please note the number displayed in the upper right-hand corner of this worksheet. Display of this number confirms that we have approval from OMB to conduct this survey. If this number was not displayed, under the Paperwork Reduction Act, we could not request your participation in this voluntary survey. Information provided on this questionnaire compiled from or customarily provided in public records are exempt from confidential treatment as cited in Title 13, United States Code, Section 9(b).

Please note that this is a national survey that applies to governments with wide differences in the size of their service areas, the amount of population served, and the extent and complexity of their activities. Public reporting burden for this collection of information is estimated to vary from 1 hour to 6 hours per response, with an average of 1.5 hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
